

# Make your internship stand out.

## Introducing NEOintern Approved Internships

NEOintern.net now allows employers to have their internships certified **NEOintern Approved**. This new certification allows your internship to **stand out** as a high-quality learning experience. To be certified, an employer must

- >> Compensate interns (\$1,000 minimum),
- >> Offer orientation, goals, training, and formal feedback,
- >> Provide meaningful tasks—interns should do more than get coffee,
- >> Provide supervision,
- >> Assist with academic requirements, if needed,
- >> Report intern data to NEOintern.net.

To review the requirements and sign up, log-in to your account at [NEOintern.net](https://neointern.net).

**Don't have an account?** Visit [NEOintern.net](https://neointern.net) to create one! It's fast, easy, and free.

**Need help developing an internship program?** Let NEOintern teach you how to
