

Get the most from your NEOintern postings!

The NEOintern Approved status is a free marketing tool that allows your internships to stand out from general database postings as exceptional learning experiences. To be eligible to have your internship postings considered for the NEOintern Approved certification, you must agree to the following for those postings that you want identified as NEOintern Approved:

- Compensation of at least \$1000 (in salary, stipend, paid credits, etc.)
- Offer orientation, goals, training, and formal feedback
- Provide meaningful tasks and good supervision
- Assist with academic requirements if need be
- Report intern hiring data to NEOintern
